

# EE273/985 PROJECT PROGRESS REPORTS

<b>Group #:</b>	3	<b>Group Members</b> Andrii Kyrychok, Ricardo Barrera
<b>Date:</b>	01/04/25	
<b>Week #:</b>	11	
<b>Report Type</b>	...	

All groups are required must complete a progress report on a weekly basis. Parts a) and b) prior to the lab session starting and then parts c) and d) at the end of the lab session. Useful to retain a copy within logbook or in your shared repository.

## UPLOAD TO MYPLACE

### THE FIRST TWO SECTIONS MUST BE COMPLETED AND UPLOADED PRIOR TO THE START OF THE LAB SESSION.

#### A) SUMMARISE PROGRESS SINCE THE PREVIOUS PROGRESS REPORT, INCLUDING COMMENT ABOUT GENERAL PROGRESS

Report fully formatted as per required, and begun to be filled in  
Furthered research into use of OpenCV for testing

#### B) HIGHLIGHT THE AIMS AND OBJECTIVES FOR THE FORTHCOMING LAB SESSION:

Discuss report creation, and coordination for presentation, as well as ask about OpenCV and its use  
Discuss formatting and execution of testing of code for report

### THE FOLLOWING TWO SECTIONS MUST BE COMPLETED AND UPLOADED AT THE END OF EACH LAB SESSION.

#### C) SUMMARISE THE PROGRESS MADE AND ISSUES RAISED DURING THE TODAY'S LAB SESSION

Report formatting polished and background research begun, introduction complete  
OpenCV understood better

#### D) LIST THE OBJECTIVES/PLANS FOR THE PROJECT WORK FOR NEXT WEEK:

### Finish Report

Fully document testing performed on code in lab note format and implement into final report
